

FPA OF MARYLAND GOES TO ANNAPOLIS 2010

The Government Relations Committee of your Maryland chapter is proud to host its 4th Annual Financial Planning Day—this time at the Miller Senate Office Building in Annapolis. Come meet with your elected representatives and be a part of the promotion of the America Saves Week campaign—promoting the importance of savings to all citizens. We hope you will choose to participate as we have partnered with the American Savings Education Council (ASEC) and the Employee Benefit Research Institute (EBRI) to promote America Saves Week (www.AmericaSavesWeek.org).

Our Annapolis Day event has been growing in success and will continue to do so with your help by strengthening the relationship of our chapter with members of the Maryland General Assembly. This year we are excited to announce that we will be *on campus*; thanks to receiving sponsorship from a Maryland State Senator. So, please come out and show your support. Our continued success is largely determined by the participation of our membership and the growing attendance of our elected officials.
