#### About Mustang Alley's

The Mustang Alley's concept is one that is unique to the Baltimore City area.

With **12 lanes of bowling**, a **chef-inspired and prepared menu**, a **full-service bar** featuring an elegant wine and cocktail list, and almost 1,000 inches of High Definition television, Mustang Alley's is **Baltimore's premier upscale event and dining facility**.

So join FPA of MD and **choose to *bowl* or *watch* a round or more**, and **enjoy your favorite food and drink with fellow professionals**.

FPA of MD has reserved **four duckpin lanes**, and we can accommodate **six bowlers per lane**—on a **first come-first served basis**. The chapter is **picking up the cost of the lanes**—shoe rental, food, and drink are *À la carte*. Guests are welcome.
